General Manager – Caporella Aquatic Center

HISTORY

The Caporella Aquatic Center is the city of Tamarac's first public swimming pool, making it an obvious attraction for locals of all ages. The center gets its name from the Caporella family who donated 5 acres of land for the complex to be built. Caporella Aquatic Center has been open since January of 2007.

VENUE OFFERINGS

Amenities include a 25-yard x 25-meter swimming pool with zero depth entry and avalanche slide, children's water playground (Sprayground), 3,000 square foot fitness room, men and women's locker rooms, picnic tables, chairs, large pavilion, and concession stand.

We offer swim lessons for all ages and water aerobics classes for our senior community members. We also host tryouts and practice for TS Aquatics.

MISSION & VISION

To improve the health and economic vitality of the communities we serve.

WORK ENVIRONMENT

PARKING

Team Members can park anywhere in the parking lot.

BULLETIN BOARDS

The purpose of the bulletin board is to provide a specific place where Caporella Aquatic Center notices may be posted, including state and federal mandatory notices, and important communications from management. Information placed on the bulletin board is important. Team Members may not post any information on these bulletin boards without the express permission of a Human Resources Representative or General Manager. The bulletin board is located in the Team Member breakroom. You are expected to check it regularly.

BREAKROOMS/LOCKERS/PERSONAL BELONGINGS

We request that you leave all personal belongings locked in your car or at home. The designated break area is the break/locker room. The Company and Caporella Aquatic Center assume no liability or responsibility for your personal property, including personal injury, damage, theft, or other loss. Please refer to your SFC Team Member Handbook, section "Inspections and Searches" for information regarding using Complex provided lockers.

At times, emergencies such as severe weather, fires, power failures, flooding or pandemics can disrupt operations. In extreme cases, these circumstances may require the closing of our facility. When operations are officially closed due to emergency conditions, the time off from scheduled work will be unpaid. However, with supervisory approval, Team Members may use available paid time off.

LOST AND FOUND

All found items should be turned in to the General Manager and/or the Head Lifeguard on duty to be stored in the General Manager's office.

TEAM MEMBER INFORMATION

TEAMWORK

Teamwork is the single key to our success. All of us are team members working towards a common goal. There is no better feeling than being in an environment where the whole team is working hard together and producing something very special. The whole is greater than the sum of its parts. Part of your responsibility for teamwork is doing whatever is asked of you and assisting your fellow Team Members in any way possible, so that everyone's work flows more efficiently and smoothly. If a manager requests that you perform duties outside of your normal job description, it is essential that you cooperate to achieve common goals. If we all remain flexible in our approach to our work and "pitch-in" where needed, the outcome will be reflected in the growing and successful operation of Caporella Aquatic Center and a more enjoyable work experience for all everyone.

WORK SCHEDULES

You are responsible for the shifts you are scheduled to work. Work schedules are designed to be as flexible as possible to fit your needs. The corresponding department manager must be notified of and approve all scheduling changes.

When necessary, managers will advise Team Members of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week. The scheduling of breaks is the responsibility of the department supervisors and/or managers. You will be required to break in/out for breaks, but it does not deduct from your pay.

Changing shifts with other Team Members is generally permitted if you trade shifts with another qualified Team Member from your department. All shift changes must be requested through our HRIS and approved by your direct department supervisor and/or HR Manager. If this procedure is not followed properly, you will still be considered responsible for the shift and you will be deemed a No Call, No Show (NCNS), even if you asked someone else to take it for you.

To request time off you should make sure you update your availability in our HRIS with when you can and cannot work. Shifts are entered in the HRIS on an as-needed basis depending on the requirements of the event. If shifts are not picked up, then manual scheduling will occur. We will try to work around any requested time off but do not assume that you automatically have the requested time off. Be sure to check the app daily. As mentioned above, you are solely responsible for your scheduled shifts.

You must work at least one (1) shift per month to remain active. If you fail to fulfill this requirement without advanced notification in writing, your access will be disabled, and the situation deemed "job abandonment".

HOLIDAYS

Caporella Aquatic Center will follow the same holiday schedule set by the City of Tamarac. Every attempt to align the holiday schedule of the City and SFM will be made. When dates do not align, SFM will determine the final schedule.

Salaried (Exempt) full-time Team Members are eligible for holiday pay. If an hourly, full-time Team Member works on a designated holiday, they will be paid time and a half at their regular

rate of pay. When a salaried, full-time Team Member works on a designated holiday, they earn a floating holiday which must be used within 30 days of the actual observed holiday.

New Year's Day	Thanksgiving Day
Martin Luther King Jr. Day	Day after Thanksgiving
Easter Sunday	Christmas Eve
Memorial Day	Christmas Day
Independence Day	New Year's Eve
Labor Day	

TIME CLOCK

All hourly Team Members are to clock in and out via Paylocity. Time punch locations are geofenced so Team Members must be in a designated area in order to punch in or out.

MEALS/BREAKS

In the state of Florida, SFCs are not legally required to offer rest breaks. All breaks are scheduled by your manager.

Team Members under the age of 18 per Florida labor law must be given at least a 30-minute uninterrupted meal break for every four (4) hours of continuous work. These breaks are unpaid.

DRESS CODE

Team Members are responsible for the upkeep of their uniforms and for the return of all uniforms upon separation of employment. Dress, grooming, and personal hygiene standards contribute to the morale of all Team Members and affect the business image of Caporella Aquatic Center. When representing Caporella Aquatic Center (on and off-site anytime in uniform), Team Members are expected to present a clean, neat, and tasteful appearance. Team Members should dress and groom themselves according to the requirements of their position. Without unduly restricting individual tastes, the following personal appearance guidelines shall be followed:

- Clothing deemed revealing, suggestive, or distasteful by facility management is prohibited (holes or ripped clothing are not permitted).

TEAM MEMBER RESPONSIBILITIES

GUEST SERVICE

We are a service business, and our success is dependent upon providing our guests with the best experience around. Every Team Member is a big part of that experience. You represent Caporella Aquatic Center in your actions and appearance and should conduct yourself in a courteous and professional manner at all times.

We want to be considered the “friendliest place in town.” In order to achieve that position, we have instituted the “Hospitality Zone”. You will be amazed at the reaction you will receive from guests.

- Within ten (10) feet you should acknowledge a guest by making eye contact, smiling, nodding, etc
- Within five (5) feet you should initiate conversation (i.e., “Welcome to Caporella Aquatic Center!”)
- You should always have the first and last word in a conversation. As a guest approaches, you should be the one to initiate conversation
- Engage guests to help direct them, rather than waiting for them to come to you
- As a guest leaves, you should always have a friendly word for them (i.e., “Have a great night! See you again soon!”)

Working in direct contact with the public can be enjoyable and rewarding, but it can also be challenging. Handling those challenges with care can make all the difference in our guests’

experience. Consider yourself at all times as being “on stage.” No matter what bothers you inwardly, a smile, eye contact, and sincerity will always be your most valuable assets.

Remember that the guests are never an interruption to our work. Their happiness and enjoyment IS our work. Make sure that you greet our guests with a friendly smile, eye contact, and make them feel welcome. If they ask a question that you can’t answer, don’t say, “I don’t know.” Say, “I’m not sure, but I’ll find out for you,” – then do so.

Never argue with a guest. If there is a problem that you cannot handle, that you feel is getting out of control, or is upsetting you and causing a confrontation with a guest, excuse yourself from the situation and seek a Manager for assistance.

Remember the following guidelines when dealing with a difficult situation:

- Let the guest speak; do not interrupt.
- Apologize for any inconveniences.
- Try to satisfy the immediate needs.
- Inform a Manager immediately.

WORKPLACE SAFETY

CELL PHONES

Cell phones are not permitted on the pool deck and/or guard stands.

SAFETY PROCEDURES

Safety is very important. All Team Members are expected to be safety-conscious, follow safety rules, and to immediately alert management to any conditions in the workplace that are believed to be unsafe or unhealthy. Accident prevention is important to the well-being of our Team Members and guests. As you go through training for your position, additional safety procedures will be explained in depth.  - Equipment left in aisles, walkways, or blocking exits.
 - Exposed or unsafe electrical wiring.
 - Careless handling of equipment.

4. Follow all manufacturer recommendations when operating equipment.
5. Handle hazardous chemicals with care.
6. Use proper lifting procedures and get help when needed.
7. Wear safety glasses and protective clothing when necessary.
8. Immediately report all accidents to a Manager on Duty.
