TEAM MEMBER INFORMATION

TEAMWORK

Teamwork is the single key to our success. All of us are Team Members working towards a common goal. There is no better feeling than being in an environment where the whole team is working hard together and producing something very special. The whole is greater than the sum of its parts. Part of your responsibility for teamwork is doing whatever is asked of you and assisting your fellow Team Members in any way possible, so that everyone's work flows more efficiently and smoothly. If a Manager requests that you perform duties outside of your normal job description, it is essential that you cooperate to achieve common goals. If we all remain flexible in our approach to our work and "pitch-in" where needed, the outcome will be reflected in the growing and successful operation of Cyclone Ballparks and a more enjoyable work experience for all everyone.

WORK SCHEDULES

You are responsible for all the shifts for which you are scheduled to work. Work schedules are designed to be as flexible as possible to fit your needs. Your Direct Supervisor must approve all scheduling changes. Schedules are posted two weeks out every Friday afternoon by 4:00 PM

When necessary, Managers will advise Team Members of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week. The scheduling and supervision of lunch are the responsibility of your Direct Manager and/or General Manager.

Changing shifts with other Team Members is generally permitted you trade shifts with another qualified Team Member trained in your department. All shift changes must be requested through Paylocity and approved by your direct supervisor. If your shift change is not approved, you will be considered responsible for the shift and you may be deemed a No Call, No Show (NCNS), even if you asked someone else to take it for you.

To request time off you should make sure you update your availability in Paylocity with when you can and cannot work. Shifts are entered in Paylocity on an as-needed basis depending on the requirements of the event. If shifts are not picked up, then manual scheduling will occur. We will try to work around any requested time off but do not assume that you automatically have the requested time off. Be sure to check the app daily. As mentioned above, you are solely responsible for your scheduled shifts.

You must work at least one (1) shift per month to remain active. If you fail to fulfill this requirement without advanced notification in writing, your access will be disabled, and the situation deemed "job abandonment".

TIME CLOCK

Team Members will clock-in/out at the timeclock located in the ticket booth. If a Team Member is working off-site, hours worked will need to be reported to their Direct Supervisor for recording purposes. Team Members may clock-in 5 minutes before a shift or 5 minutes after their scheduled shift. All overtime must be approved in advance by the General Manager. Any discrepancies with clock-in/out procedures must be reported to your Manager immediately.

MEALS/BREAKS

Cyclone Ballparks will allow a 30-minute unpaid lunch break and Team Members must clock out for that time. Team Members are not allowed to eat at their station. Drinks are permitted, but must be kept out of sight from guests

FINAL PAY

Under Texas law, team members who resign voluntarily must receive their final paycheck on the next regularly scheduled payday, while team members who are involuntarily terminated must receive their final wages within six calendar days. Texas does not require companies to pay out accrued but unused PTO at separation unless the employer's policy or practice provides for payout. If company policy allows for unused PTO to be paid, it will be included with the final wages and issued according to the timing required for voluntary or involuntary separation. Team members who have questions about final pay or PTO eligibility should contact Human Resources.

STATE LAWS

COURT WITNESS LEAVE

Companies must provide unpaid leave to team members to appear as witnesses in a court proceeding or to attend a juvenile court proceeding when required as parents or guardians.

EQUAL WORK, EQUAL PAY

A team member who performs public service for this state is entitled to be paid the same compensation as other team members as is paid to a team member who performs the same kind, grade, and quantity of service, and a distinction in compensation may not be made because of sex.

JURY LEAVE

Texas' jury duty leave law requires all companies to provide team members with time off for jury duty. Companies cannot take adverse action against team members for serving as jurors or grand jurors, or for attending or scheduling to attend jury duty service.

OVERTIME

Texas companies covered by the federal Fair Labor Standards Act (FLSA) must comply with the FLSA's overtime requirements. Under the FLSA, companies must generally pay nonexempt team members one and one-half times their regular rate of pay for all hours worked over 40 hours in a workweek.

POLITICAL CONVENTION LEAVE

Cyclone Ballparks will provide Team Members with unpaid leave to attend:

- A precinct convention for which they are eligible to participate; or
- A county, district, or state convention for which they are a delegate.

Provide as much notice as possible of your need for leave.

Cyclone Ballparks will not discriminate or retaliate against Team Members who request or take leave in accordance with this policy.

VOTING LEAVE

Texas Companies must provide Team Members with paid leave to vote if the polls are not open at least two consecutive hours before or after the Team Member's shift.

TEAM MEMBER RESPONSIBILITIES

GUEST SERVICE

We are a service business, and our success is dependent upon providing our guests with the best experience around. Every Team Member is a big part of that experience. You represent Cyclone Ballparks in your actions and appearance and should conduct yourself in a courteous and professional manner at all times.

We want to be considered the “friendliest place in town.” To achieve that position, we have instituted the “Hospitality Zone”. You will be amazed at the reaction you will receive from guests.

- Within ten (10) feet you should acknowledge a guest by making eye contact, smiling, nodding, etc.
- Within five (5) feet you should initiate conversation (i.e., “Welcome to Cyclone Ballparks!”).
- You should always have the first and last word in a conversation. As a guest approaches, you should be the one to initiate conversation.
- Engage guests to help direct them, rather than waiting for them to come to you.
- As a guest leaves, you should always have a friendly word for them (i.e., “Have a great night! See you again soon!”).

Working in direct contact with the public can be enjoyable and rewarding, but it can also be challenging. Handling those challenges with care can make all the difference in our guests’ experience. Always consider yourself as being “on stage.” No matter what bothers you inwardly, a smile, eye contact, and sincerity will always be your most valuable assets.

Remember that the guests are never an interruption to our work. Their happiness and enjoyment IS our work. Make sure that you greet our guests with a friendly smile, eye contact, and make them feel welcome. If they ask a question that you can’t answer, say, “I’m not sure, but I’ll find out for you,” – then do so.

Never argue with a guest. If there is a problem that you cannot handle, that you feel is getting out of control, or is upsetting you and causing a confrontation with a guest, excuse yourself from the situation and seek a Manager for assistance.

Remember the following guidelines when dealing with a difficult situation:

- Let the guest speak; do not interrupt.
- Apologize for any inconveniences.
- Try to satisfy the immediate needs.
- Inform a Manager immediately.

WORKPLACE SAFETY

SAFETY PROCEDURES

Safety is very important. All Team Members are expected to be safety-conscious, follow safety rules, and to immediately alert management to any conditions in the workplace that are believed to be unsafe or unhealthy. Accident prevention is important to the well-being of our Team Members and guests. As you go through training for your position, additional safety procedures will be explained in depth. The following basic safety rules have been developed to protect Team Members and others from injury while on the job. Accidents can happen - but remember, safety is everyone's responsibility.

Team Members should:

1. Learn their job and how to be safe in the workplace.
2. Know the location of fire alarm boxes, extinguishers, in case of a fire.
3. Promptly report all unsafe or potentially hazardous conditions:
 - Dangerous conditions related to playing surface/sports equipment
 - Wet or slippery floors
 - Cluttered or unsafe areas
 - Equipment left in aisles, walkways, or blocking exits
 - Exposed or unsafe electrical wiring
 - Careless handling of equipment
 - Defective or unguarded equipment
4. Follow all manufacturer recommendations when operating equipment.
5. Handle hazardous chemicals with care.
6. Use proper lifting procedures and get help when needed.
7. Wear safety glasses and protective clothing when necessary.
8. Immediately report all accidents to a Manager on Duty.

CPR/AED

Team members who work in certain areas of the facility are required to hold a current CPR, AED and/or First Aid certification at all times. If your position requires a certification, you are expected to maintain certification.
