TEAM MEMBER INFORMATION

TEAMWORK

Teamwork is the single key to our success. All of us are team members working towards a common goal. There is no better feeling than being in an environment where the whole team is working hard together and producing something very special. The whole is greater than the sum of its parts. Part of your responsibility for teamwork is doing whatever is asked of you and assisting your fellow Team Members in any way possible, so that everyone's work flows more efficiently and smoothly. If a manager requests that you perform duties outside of your normal job description, it is essential that you cooperate to achieve common goals. If we all remain flexible in our approach to our work and "pitch-in" where needed, the outcome will be reflected in the growing and successful operation Sprowls Horizon Sports Park and a more enjoyable work experience for everyone.

WORK SCHEDULES

You are responsible for the shifts you are scheduled to work. Work schedules are designed to be as flexible as possible to fit your needs. The corresponding department manager must be notified of and approve all schedule changes.

When necessary, managers will advise Team Members of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week. The scheduling of breaks is the responsibility of the department supervisors and/or managers. You will be required to break in/out for breaks shorter than 15 minutes, but it does not deduct from your pay.

Changing shifts with other Team Members is generally permitted if you trade shifts with another qualified Team Member from your department. All shift changes must be requested through Paylocity and approved by your direct department supervisor and/or General Manager. If this procedure is not followed properly, you will still be considered responsible for the shift and you will be deemed a No Call, No Show (NCNS), even if you asked someone else to take it for you.

To request time off you should make sure you update your availability in Paylocity with when you can and cannot work. Shifts are entered in Paylocity on an as-needed basis depending on the requirements of the event. If shifts are not picked up, then manual scheduling will occur. We will try to work around any requested time off but do not assume that you automatically have the requested time off. Be sure to check the app daily. As mentioned above, you are solely responsible for your scheduled shifts.

You must work at least one (1) shift per month to remain active. If you fail to fulfill this requirement without advanced notification in writing, your access will be disabled, and the situation deemed "job abandonment".

TIME CLOCK

Hourly Team Members will clock-in/out using Paylocity app. Any issues with the app please immediately see Finance Manager or General Manager in main office.

HOLIDAY SCHEDULES

Sprowls Horizon Sports Park will follow the same holiday schedule set by The Sports Facilities Companies. When dates do not align, SFC will determine the final schedule.

Full-time Team Members are eligible for eight (8) hours of holiday pay for the designated holidays listed below. If an hourly, full-time Team Member works on a designated holiday, they will be paid time and a half at their regular rate of pay. When a salaried, full-time Team Member works on a designated holiday, they earn a floating holiday which must be used within 30 days of the actual observed holiday.

TEAM MEMBER RESPONSIBILITIES

GUEST SERVICE

We are a service business, and our success is dependent upon providing our guests with the best experience around. Every Team Member is a big part of that experience. You represent Sprowls Horizon Sports Park in your actions and should always conduct yourself in a courteous and professional manner.

We want to be considered the “friendliest place in town.” To achieve that position, we have instituted the “Hospitality Zone”. You will be amazed at the reaction you will receive from guests.

- Within ten (10) feet you should acknowledge a guest by making eye contact, smiling, nodding, etc.
- Within five (5) feet you should initiate conversation. (i.e. “Welcome! How are you?”)
- You should always have the first and last word in a conversation. As a guest approaches, you should be the one to initiate conversation.
- Engage guests to help direct them, rather than waiting for them to come to you.
- As a guest leaves, you should always have a friendly word for them (i.e. “Have a great night! See you again soon!”).

Working in direct contact with the public can be enjoyable and rewarding, but it can also be challenging. Handling those challenges with care can make all the difference in our guests’ experience. Always consider yourself as being “on stage.” No matter what bothers you inwardly, a smile, eye contact, and sincerity will always be your most valuable assets.

Remember that the guests are never an interruption to our work. Their happiness and enjoyment is our work. Make sure that you greet our guests with a friendly smile, eye contact, and make them feel welcome. If they ask a question that you can’t answer, say, “I’m not sure, but I’ll find out for you,” – then do so.

Never argue with a guest. If there is a problem that you cannot handle, that you feel is getting out of control, or is upsetting you and causing a confrontation with a guest, excuse yourself from the situation and seek a Manager for assistance.

Remember the following guidelines when dealing with a difficult situation:

- Let the guest speak; do not interrupt.
- Apologize for any inconveniences.
- Try to satisfy the immediate needs.
- Inform a Manager immediately.

WORKPLACE SAFETY

SAFETY PROCEDURES

Safety is very important. All Team Members are expected to be safety-conscious, follow safety rules, and to immediately alert management to any conditions in the workplace that are believed to be unsafe or unhealthy. Accident prevention is important to the well-being of our Team Members and guests. As you go through training for your position, additional safety procedures will be explained in depth. The following basic safety rules have been developed to protect Team Members and others from injury while on the job. Accidents can happen - but remember, safety is everyone's responsibility.

Team members should:

1. Learn their job and how to be safe in the workplace.
2. Know the location of fire alarm boxes, extinguishers, in case of a fire.
3. Promptly report all unsafe or potentially hazardous conditions:
 - Dangerous conditions related to playing surface/sports equipment
 - Wet or slippery floors
 - Cluttered or unsafe areas
 - Equipment left in aisles, walkways, or blocking exits
 - Exposed or unsafe electrical wiring
 - Careless handling of equipment
 - Defective or unguarded equipment
4. Follow all manufacturer recommendations when operating equipment.
5. Handle hazardous chemicals with care.
6. Use proper lifting procedures and get help when needed.
7. Wear safety glasses and protective clothing when necessary.
8. Immediately report all accidents to a Manager on Duty.

CPR/AED

Team Members who work in certain areas of the facility are required to hold a current CPR, AED and/or First Aid certification at all times. If your position requires a certification, you are expected to maintain certification.
