MISSION & VISION

To improve the health and economic vitality of the communities we serve.

REVISIONS TO HANDBOOK

This handbook is our attempt to keep you informed of the terms and conditions of your employment, including policies and procedures. The handbook is not a contract. The venue reserves the right to revise, add, or delete from this handbook as we determine it to be in our best interest, except the policy concerning at-will employment. When changes are made to the policies and guidelines contained herein, we will endeavor to communicate them in a timely fashion, typically in a written supplement to the handbook or in posting on venue bulletin boards.

WORK ENVIRONMENT

PARKING

Team members are required to park in the spaces furthest from the venue doors, such as the outer edges or rear sections of the parking lot, so that the closest and most convenient spaces remain available for our guests and individuals with accessibility needs.

BULLETIN BOARDS

The purpose of the bulletin board is to provide a specific place where notices may be posted, including state and federal mandatory notices, and important communications from management. Information placed on the bulletin board is important. Team members may not post any information on these bulletin boards without the express permission of a Human Resources Representative or General Manager. The labor posters and bulletin boards are in the main office. You are expected to check it regularly.

BREAKROOMS/LOCKERS

We request that you leave all personal belongings locked in your car or at home. The venue assumes no liability or responsibility for your personal property, including personal injury, damage, theft, or other loss.

RESTRICTED AREAS

Certain areas are off limits to unauthorized team members. Failure to observe “off-limits” rules may result in disciplinary action, up to and including, termination.

EMERGENCY CLOSING

At times, emergencies such as severe weather, fires, power failures or earthquakes can disrupt operations. In extreme cases, these circumstances may require the closing of our facility. When operations are officially closed due to emergency conditions, the time off from scheduled work will be unpaid. However, with manager approval, team members may use available paid time off, if applicable. Team members will be notified of the facility closing by the General Manager.

LOST AND FOUND

Lost and Found items can be put in the main office. Team members should have the General Manager or Manager on Duty help guests claim any lost property.

TEAM MEMBER INFORMATION

TEAMWORK

Teamwork is the single key to our success. All of us are team members working towards a common goal. There is no better feeling than being in an environment where the whole team is working hard together and producing something very special. The whole is greater than the sum of its parts. Part of your responsibility for teamwork is doing whatever is asked of you and assisting your fellow team members in any way possible, so that everyone's work flows more efficiently and smoothly. If a manager requests that you perform duties outside of your normal job description, it is essential that you cooperate to achieve common goals. If we all remain flexible in our approach to our work and "pitch-in" where needed, the outcome will be reflected in the growing and successful operation of the venue and more enjoyable work experience for everyone.

WORK SCHEDULES

You are responsible for the shifts you are scheduled to work. Work schedules are designed to be as flexible as possible to fit your needs. The corresponding department manager must be notified of and approve all schedule changes.

When necessary, managers will advise team members of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week. The scheduling of breaks is the responsibility of the department supervisors and/or managers.

Changing shifts with other team members is generally permitted if you trade shifts with another qualified team member from your department. All shift changes must be requested through Paylocity and approved by your direct department supervisor and/or General Manager. If this procedure is not followed properly, you will still be considered responsible for the shift and you will be deemed a No Call, No Show (NCNS), even if you asked someone else to take it for you.

To request time off, you should make sure you update your availability in Paylocity with when you can and cannot work. Shifts are entered into Paylocity on an as-needed basis depending on the requirements of the event. If shifts are not picked up, then manual scheduling will occur. We will try to work around any requested time off but do not assume that you automatically have the requested time off. Be sure to check the Paylocity daily. As mentioned above, you are solely responsible for your scheduled shifts.

You must work at least one (1) shift per month to remain active. If you fail to fulfill this requirement without advanced notification in writing, your access will be disabled, and the situation deemed "job abandonment".

TIME CLOCK

All hourly team members are to clock in and out via Paylocity. Time punch locations are geofenced so team members must be in a designated area to punch in or out.

HOLIDAY SCHEDULE

Full-time team members are eligible for eight (8) hours of holiday pay for the designated holidays. If an hourly, full-time team member works on a designated holiday, they will be paid time and a

half at their regular rate of pay. When a salaried, full-time team member works on a designated holiday, they earn a floating holiday which must be used within 30 days of the actual observed holiday.

MEALS/BREAKS

Management will assign breaks as needed during shifts. All hourly team members are to clock out for breaks longer than 20 minutes.

Minors under 18 years old must receive a 30-minute break for every five (5) hours of work.

DRESS CODE

Team members are responsible for the upkeep of their uniforms and for the return of all uniforms upon separation of employment. Dress, grooming, and personal hygiene standards contribute to the morale of all team members and affect the business image. When representing the venue (on and off-site; anytime in uniform), team members are expected to present a clean, neat, and tasteful appearance. Team members should dress and groom themselves according to the requirements of their position.

Without unduly restricting individual tastes, the following personal appearance guidelines shall be followed:

- Shoes must provide safe, secure footing, and offer protection against hazards. Shoes are required to be worn, always. Sandals and flip-flops are not allowed
- Clothing deemed revealing, suggestive, or distasteful by facility management is prohibited (holes or ripped clothing are not permitted)
- Shorts, where permitted, must be modest in length (mid-thigh or longer), in good condition, and appropriate for movement (e.g., bending, lifting, or demonstrating activities). Extremely short, tight, frayed, or otherwise revealing shorts are not permitted
- Mustaches and beards must be clean, well-trimmed and neat
- Hairstyles are expected to be in good taste; unnaturally colored hair and extreme hairstyles do not present an appropriate professional appearance
- Excessive makeup is not permitted
- Offensive body odor and poor personal hygiene are not professionally acceptable
- Perfume, cologne, and aftershave lotion should be used moderately or avoided altogether, as some individuals may be sensitive to strong fragrances
- Jewelry should not be functionally restrictive, dangerous to job performance, or excessive
- Facial jewelry, such as eyebrow rings, nose rings, lip rings, and tongue studs, must not be worn during business hours
- Torso body piercing with visible jewelry, or jewelry that can be seen through or under clothing, must not be worn during business hours
- Excessive or offensive tattoos should be covered during work hours

Team members should consult with their direct manager, General Manager or Human Resources Representative if they have questions as to what constitutes appropriate attire.

DISCOUNT PROGRAM

Team members may be eligible for discounts on food, beverages, merchandise, and facility programs, which may change at any time. All discounts are intended for the team members' use only. Please consult with your General Manager or supervisor about the most current details.

TIME AND LABOR LAWS

CHILD LABOR/ WORK PERMIT

Candidates must be a minimum of 16 years of age to be considered for employment unless approved by a Company Account Executive or a Senior Leader in the Company's Home Office. In certain situations where an exception is made, all state and local child labor laws including work permits will be adhered to.

All minors aged 14 and 15 must have a valid work permit issued by the school or school district before beginning employment.

Missouri child labor laws restrict work hours for minors aged 14 through 17 to prioritize education.

- Only between 7 a.m. and 7 p.m.

14–15 years old: during non-school days:

- Eight (8) hours per day, max 40 hours per week
- Only between 7 a.m. and 9 p.m.

16–17 years old: during school and non-school days:

FINAL PAY

Upon voluntary or involuntary separation from employment, all wages earned through your last day will be paid on the next regular payday. For unused accrued PTO or vacation time, if the venue's written policy or employment agreement provides for payout of such accrued time upon separation, the payout will be made in accordance with that policy.

STATE LAWS

ACCOMODATION FOR VICTIMS OF DOMESTIC/SEXUAL VIOLENCE

The venue will provide reasonable safety accommodation for team members who are victims of domestic or sexual violence, or who have family or household members who are victims of domestic or sexual violence, provided the accommodation would not pose an undue hardship on the venue.

Reasonable safety accommodation means an adjustment to a job structure, workplace facility, or work requirement which may include, but is not limited to:

- Transfer or reassignment;
- Modified work schedule;
- Change in work telephone number, email address, or workstation;
- Installed locks;

- Implementing safety procedures; or
- Assistance in documenting domestic violence that occurs at the workplace or in work-related settings, in response to actual or threatened domestic violence.

If you require safety accommodation, notify your supervisor. You may be required to provide documentation verifying that you are a victim of domestic or sexual violence. This requirement may be satisfied by providing the venue with documents such as a police report, court order, or written statement.

After receiving your request for safety accommodation, the venue will work with you to explore potential accommodation. Any urgent circumstances or danger facing you or your family or household member will be considered in determining whether the accommodation is reasonable. The venue encourages you to suggest specific accommodation that you believe would be effective. However, the venue is not required to make any requested accommodation and may provide alternative accommodation that can be provided without imposing an undue hardship on the venue.

The venue will not discriminate or retaliate against team members who are victims of domestic or sexual violence or who request accommodation in accordance with this policy.

DOMESTIC AND SEXUAL VIOLENCE LEAVE ACT

The venue complies with Missouri’s Domestic and Sexual Violence Leave Act. Team members who are victims of domestic or sexual violence, or who have family or household members who are victims, may take reasonable leave from work to seek medical attention, obtain victim services, receive counseling, relocate, or pursue legal assistance.

Venues with 20 - 49 team members must provide up to one (1) week (five (5) workdays) of unpaid leave in a 12-month period. Venues with 50 or more team members must provide up to two (2) weeks (10 workdays) of unpaid leave in a 12-month period.

Team members must provide at least 48 hours’ advance notice of the need for leave when practicable and will be required to provide documentation supporting the request. The venue will maintain confidentiality related to any leave taken under this policy, in accordance with state law.

EMERGENCY RESPONSE LEAVE

The Missouri emergency response-related leave laws discussed on this page are as follows:

- The Volunteer Firefighter Job Protection Act requires all venues to allow leave for team members who are volunteer firefighters or members of the Missouri-1 Disaster Medical Assistance Team, Missouri Task Force One, Urban Search and Rescue Team, or the Federal Emergency Management Agency to respond to an emergency
- The Coast Guard Auxiliary Leave law requires venues with at least 50 team members to provide leave to team members who are or may become members of the Coast Guard Auxiliary to engage in Coast Guard duties.

Venues with at least 50 team members must provide leave for team members who are members of the Civil Air Patrol. The leave will be unpaid.

Eligible team members are members of the Civil Air Patrol and are either:

- Qualified for Civil Air Patrol emergency service specialty
- Certified to fly counter-narcotics missions

Venues can cap leave at 15 workdays per calendar year. However, a venue cannot cap leave when a team member is responding to a state or nationally declared emergency in Missouri. A team member cannot lose time, regular leave, or any other rights or benefits because of taking the leave. A venue may request that the team member be excused from responding to a specific mission, which the team member's supervising wing commander is required to grant.

OVERTIME

Unless otherwise required or exempted by law, overtime pay of one and one-half times your regular rate of pay is paid for any hours worked more than 40 hours in a workweek. Holidays, vacation days, and sick leave days do not count as time worked for computing overtime.

VICTIM & WITNESS LEAVE

Venues in Missouri will not discharge or discipline any witness, victim, or member of a victim's immediate family for honoring a subpoena to testify in a criminal proceeding, attending a criminal proceeding, or participating in the preparation of a criminal proceeding.

Additionally, venues may not require any witness, victim, or member of a victim's immediate family to use vacation time, personal time, or sick leave for honoring a subpoena to testify in a criminal proceeding, attending a criminal proceeding, or participating in the preparation of a criminal proceeding. An immediate family member is a victim's spouse, child, sibling, parent, grandparent, or legal guardian of a victim.

VOTING LEAVE

If you request leave prior to the day of any election and your working hours begin less than three (3) hours after the opening of the polls and end less than three (3) hours before the polls close, you may take three (3) hours of leave during the polling period for the purpose of voting. The time when you can go to vote will be at the discretion of your General Manager, consistent with applicable legal requirements.

TEAM MEMBER RESPONSIBILITIES

GUEST SERVICE

This venue is a service business, and our success depends upon providing our guests with the best experience around. Every team member is a big part of that experience. You represent this venue in your actions and should always conduct yourself in a courteous and professional manner.

We want to be considered the “friendliest place in town.” To achieve that position, we have instituted the “Hospitality Zone”. You will be amazed at the reaction you receive from guests when you engage them using the following steps:

- Within 10 feet you should acknowledge a guest by making eye contact, smiling, nodding, etc.
- Within five (5) feet you should initiate conversation. (i.e. “Welcome! How are you?”)
- You should always have the first and last word in a conversation. As a guest approaches, you should be the one to initiate conversation
- Engage guests to help direct them, rather than waiting for them to come to you
- As a guest leaves, you should always have a friendly word for them (i.e. “Have a great night! See you again soon!”)

Working in direct contact with the public can be enjoyable and rewarding, but it can also be challenging. Handling those challenges with care can make all the difference in our guests’ experience. Always consider yourself as being “on stage.” No matter what bothers you inwardly, a smile, eye contact, and sincerity will always be your most valuable assets.

Remember that the guests are never an interruption to our work. Their happiness and enjoyment are our job. Make sure that you greet our guests with a friendly smile, eye contact, and make them feel welcome. If they ask a question that you can’t answer, say, “I’m not sure, but I’ll find out for you,” – then do so.

Never argue with a guest. If there is a problem that you cannot handle, that you feel is getting out of control, or is upsetting you and causing a confrontation with a guest, excuse yourself from the situation and seek a manager for assistance.

Remember the following guidelines when dealing with a difficult situation:

- Let the guest speak; do not interrupt
- Apologize for any inconvenience
- Try to satisfy the immediate needs
- Inform a manager immediately

WORKPLACE SAFETY

SAFETY PROCEDURES

Safety is very important. All team members are expected to be safety-conscious, follow safety rules, and to immediately alert management to any conditions in the workplace that are believed to be unsafe or unhealthy. Accident prevention is important to the well-being of our team members and guests. As you go through training for your position, additional safety procedures will be explained in depth. The following basic safety rules have been developed to protect team members and others from injury while on the job. Accidents can happen, but remember, safety is everyone's responsibility.

Team members should:

1. Learn about their job and how to be safe in the workplace
2. Know the location of fire alarm boxes and extinguishers, in case of a fire
3. Promptly report all unsafe or potentially hazardous conditions, such as:
 - Dangerous conditions related to playing surface/sports equipment
 - Wet or slippery floors
 - Cluttered or unsafe areas
 - Equipment left in aisles, walkways, or blocking exits
 - Exposed or unsafe electrical wiring
 - Careless handling of equipment
 - Defective or unguarded equipment
4. Follow all manufacturers' recommendations when operating equipment
5. Handle hazardous chemicals with care and proper Personal Protection Equipment (PPE)
6. Use proper lifting procedures and get help when needed
7. Wear safety glasses and protective clothing when necessary
8. Immediately report all accidents to the Manager on Duty

CPR/AED

Team members who work in certain areas of the facility are required to hold a current CPR, AED and/or First Aid certification. If a team member's position requires certification, they are expected to maintain that certification while employed. Failure to do so will result in disciplinary action, up to and including, termination.
