Spring 2026

Hello SFC Team,

As spring unfolds, we're celebrating not just a new season, but a powerful affirmation of who we are together. For the fifth year in a row, The Sports Facilities Companies has been named a **USA Today's Top Workplace**—earning this recognition every year from **2022 through 2026**. That consistency is a direct reflection of you: your dedication, your resilience, and the culture you help create every day.

This honor is also a testament to your voice. Thank you for sharing your feedback—through surveys, conversations, and everyday moments of honesty. We are listening. We’re building **action plans** around the things we can address, and your ideas and concerns are driving real, tangible changes. What you share with us is important, and it continues to shape how we support you, your teams, and our venues.

This season, we’re also excited to **welcome RCI Sports Management and Spirit Golf** into the SFC family. Their expertise and passion for community-centered experiences will strengthen our network and expand the impact we can make together. Please join us in making them feel at home as they integrate into our culture and our mission.

Here’s to a season of growth, connection, and continued momentum as we move further into 2026!

Welcoming RCI Sports Management & Spirit Golf to the SFC Family!

This spring, we're excited to share a milestone moment for The Sports Facilities Companies: the formal integration of **RCI Sports Management** and **Spirit Golf** into our growing network. This merger brings new expertise, new markets, and a shared commitment to elevating community sports experiences across the country.

Both organizations were selected because they are deeply aligned with our mission. **RCI Sports Management** has built its reputation on transforming local sports by focusing on communities, not just complexes—elevating where and how recreational sports are played and creating memorable experiences for families and athletes. **Spirit Golf** brings decades of golf management, consulting, and player-development expertise, with a strong track record of growing facilities through tailored programming, operational discipline, and community engagement.

- **Amarillo Netplex** – Amarillo, Texas
 - A 62,000 sq. ft. indoor sports and event facility with pickleball, volleyball, basketball, and futsal courts, plus a pro shop, party space, and flexible event rental capabilities.

Spirit Golf Venues Now in the SF Network

Spirit Golf currently manages and supports a portfolio of community-focused golf facilities across the Mid-Atlantic. These include:

- **Oxford Valley Golf & Country Club** – Fairless Hills, Pennsylvania
- **Clearbrook Golf Club** – Monroe Township, New Jersey
- **Five Ponds Golf Club** – Warminster, Pennsylvania
